

# Agro Enviro Lab

## **Caractérisation de la compaction au champ Le profil de résistance**

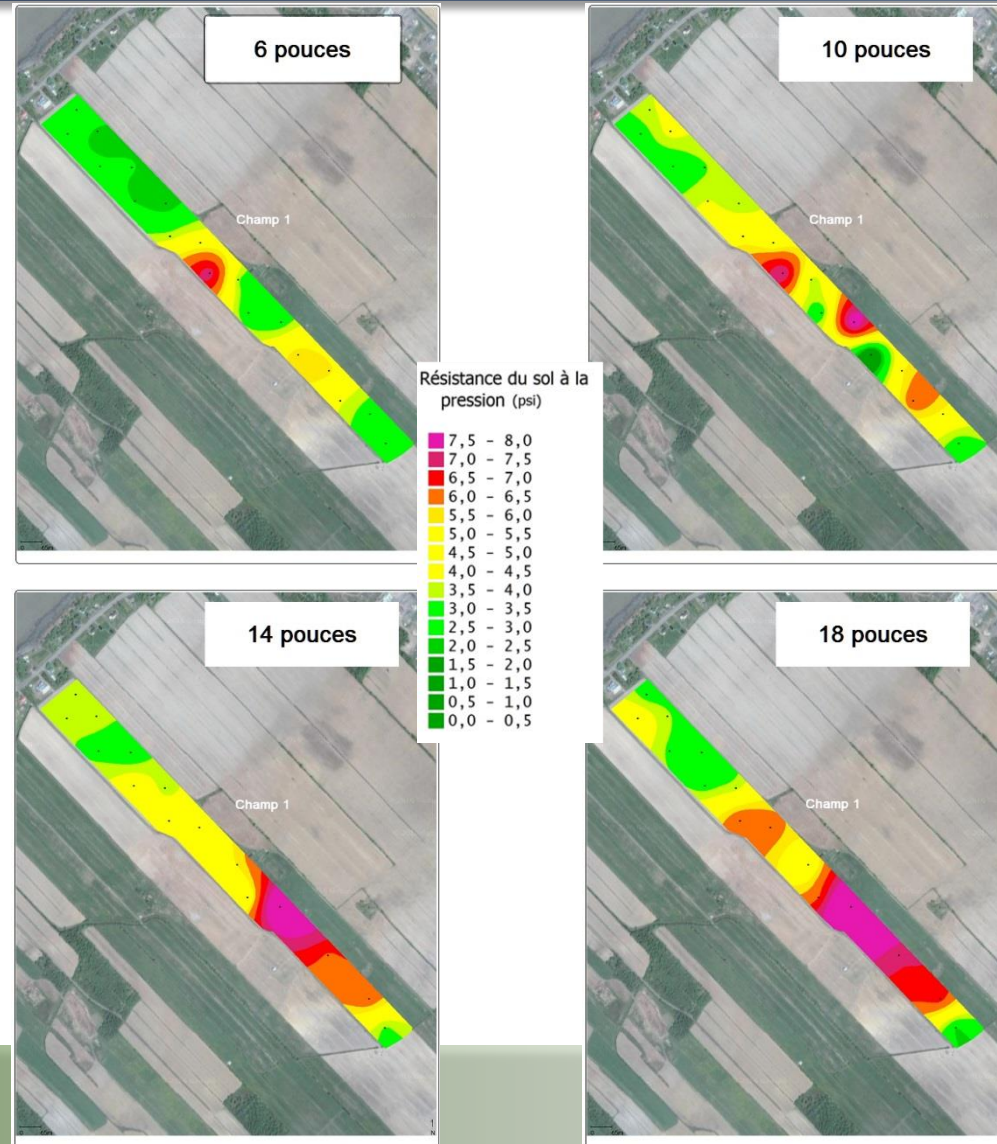

**L'approche Agro Enviro lab**

# Outils utilisé: Field Scout

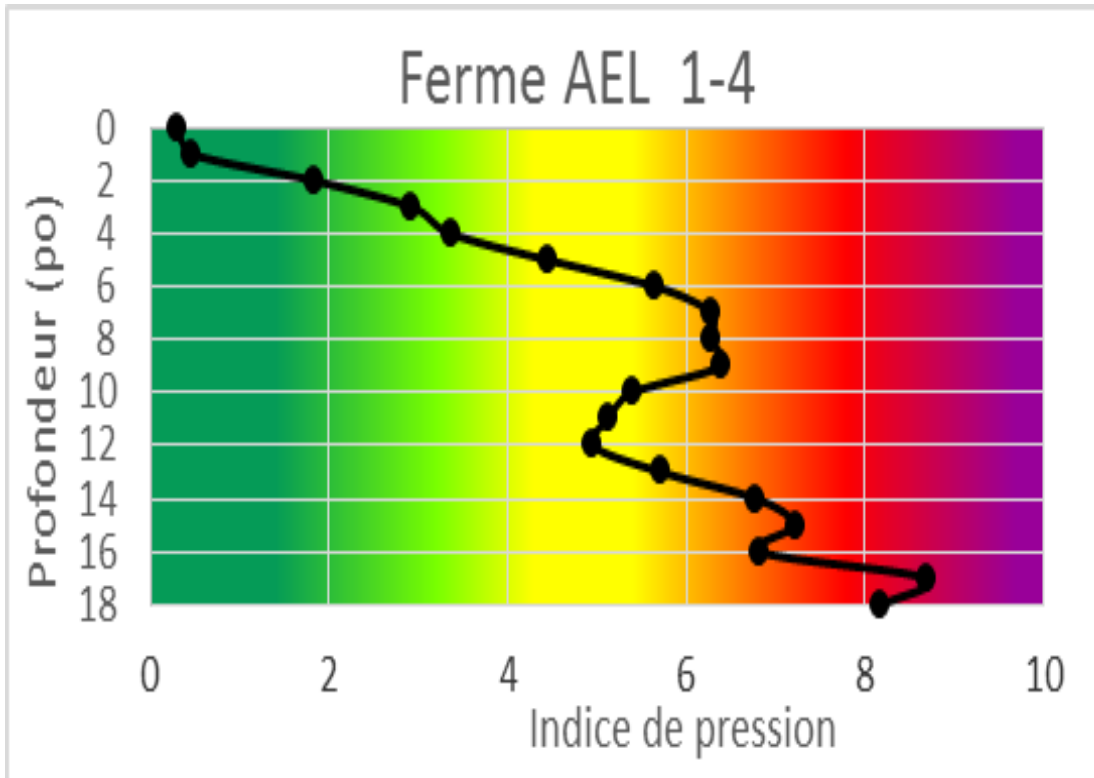

# Cartographie de l'indice de compaction à différentes profondeurs

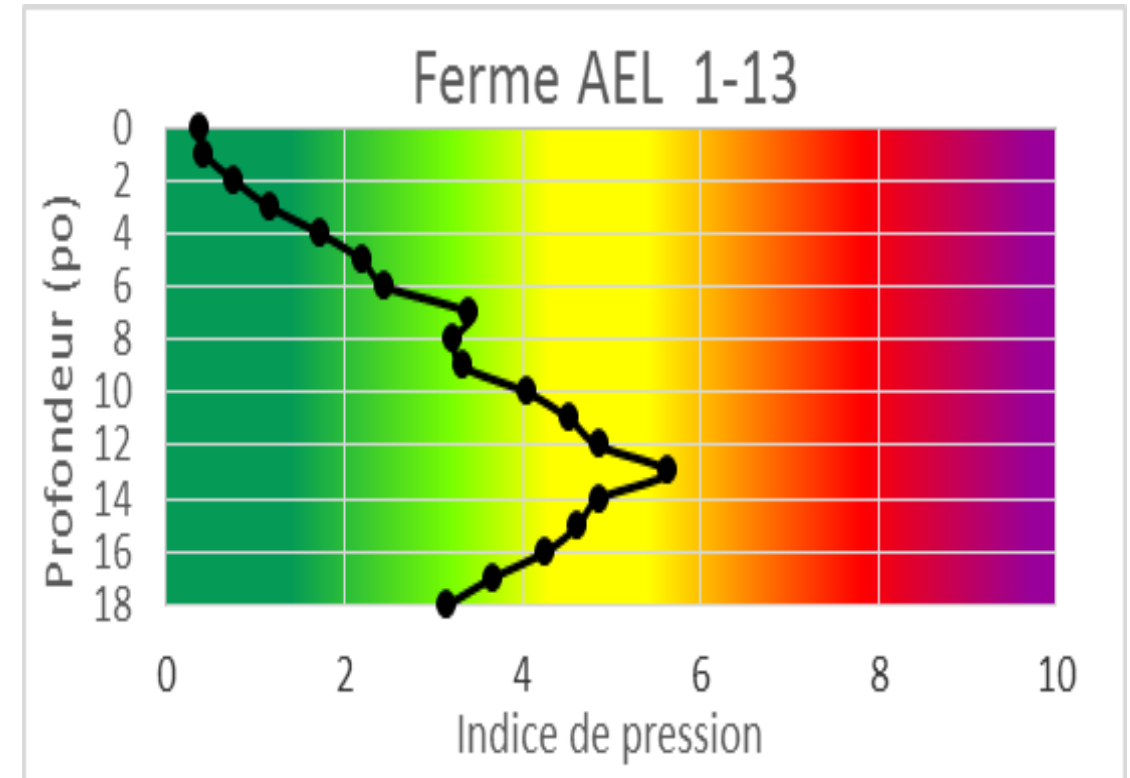

# Interprétation profils de résistance

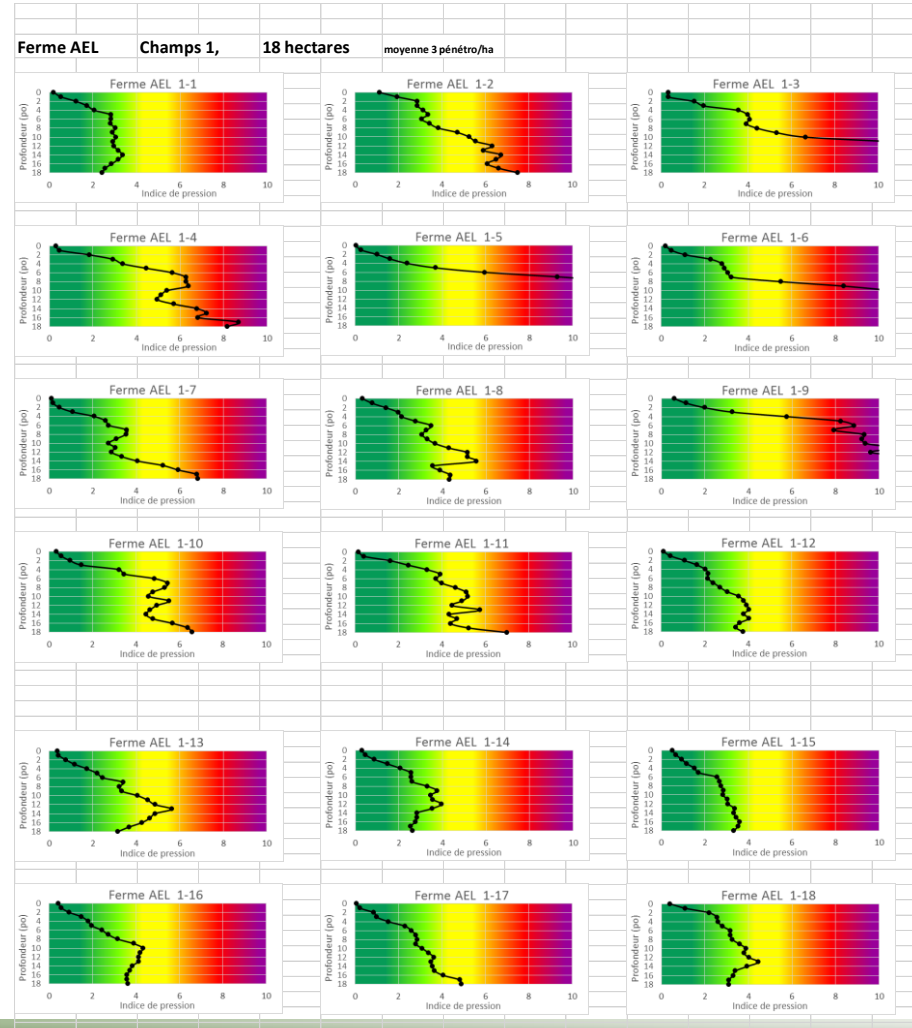

Semelle de labour

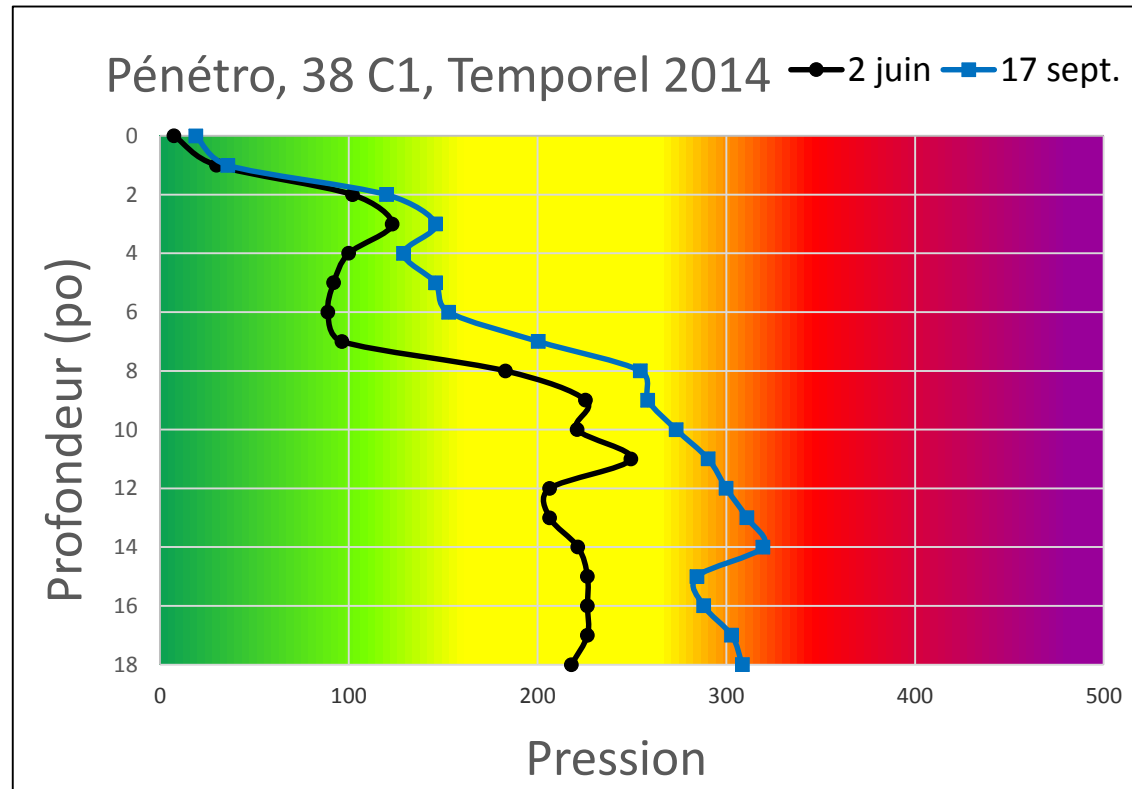

Compaction partielle plus profonde

# Graphes des profil de résistance d'un champ complet

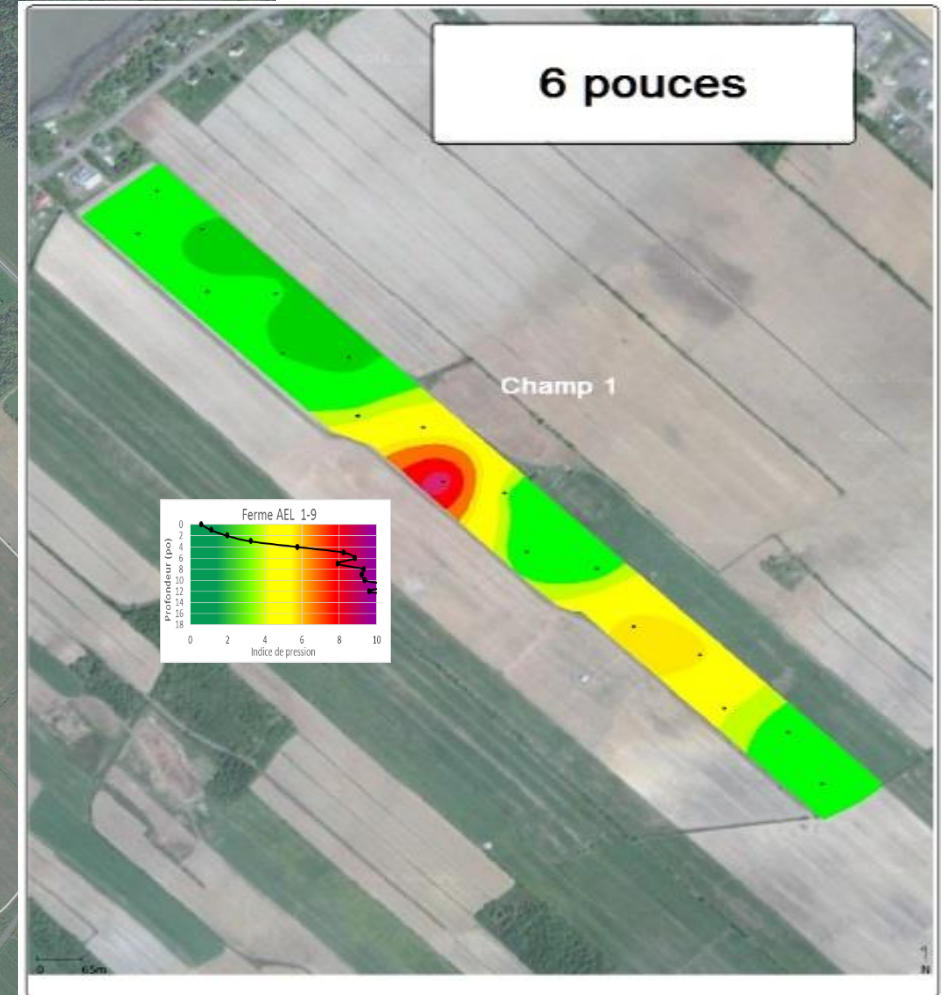

Source: AEL

# Variabilité temporelle

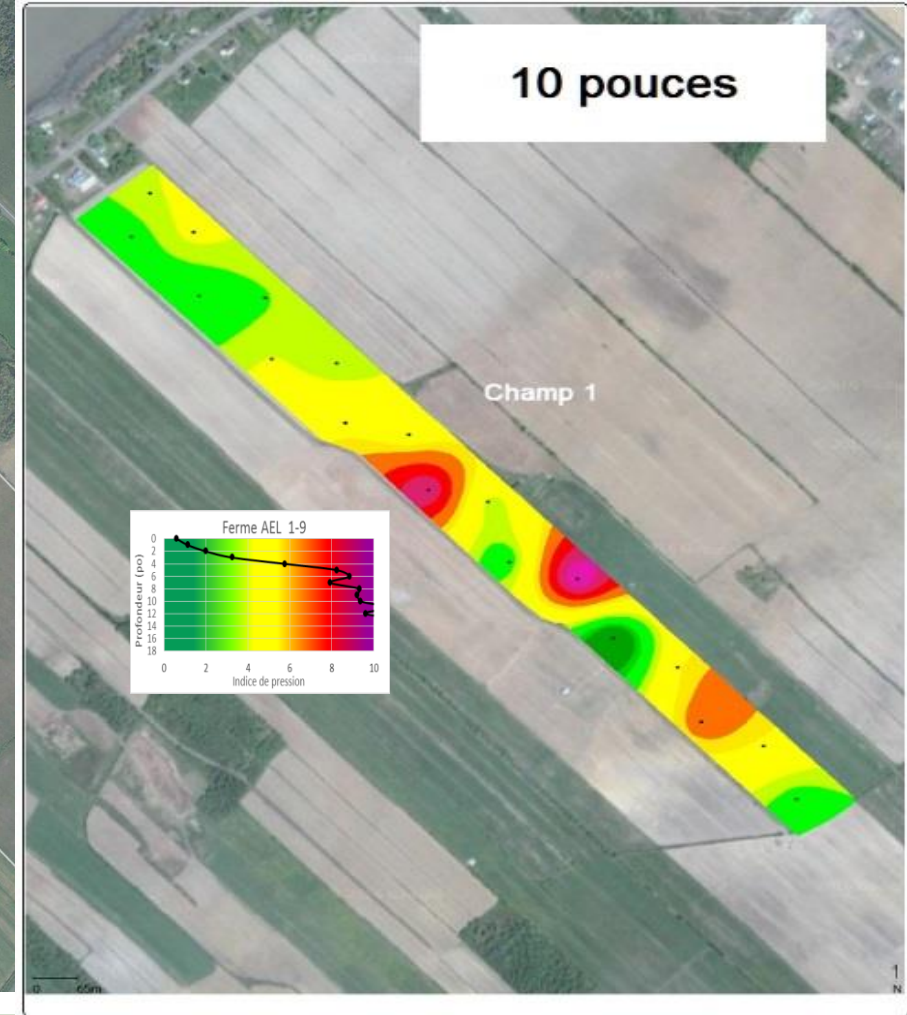

# Rendement vs la compaction à 6 po

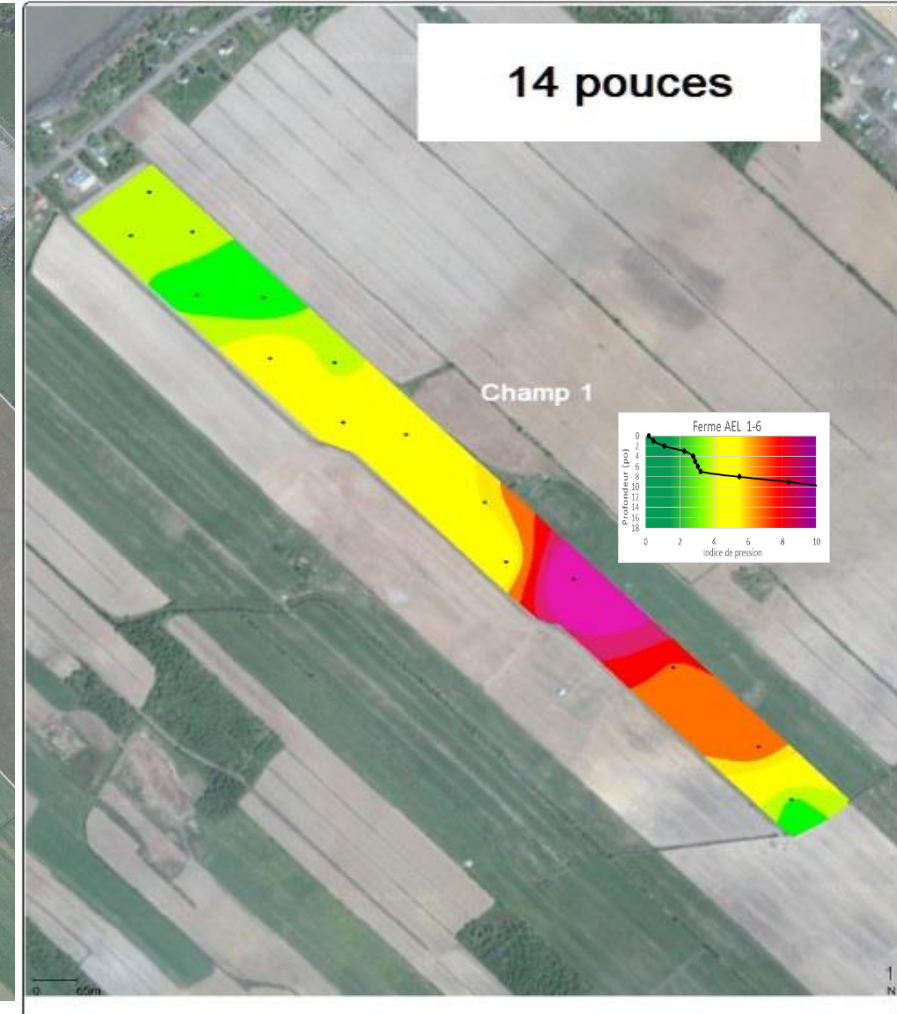

# Rendement vs la compaction à 10 po

# Rendement vs la compaction à 14 po

# Rendement vs la compaction à 18 po
